Head teachers message

I hope you have all received the letter and email sent out yesterday regarding my move to St Martin's CE VA School. It has been the most difficult decision to move on and leave the schools I care so much about. It has been a pleasure and a privilege to work alongside such dedicated staff and governors. I have had the most remarkable journey for a first headship, both schools have now had their Ofsted inspections and are well placed for the future. I am extremely proud of all the children in both schools and I will miss them and our families immensely. The governing body are making plans and starting the recruitment process they will keep you informed as to progress over the coming months.
