Sports

We are continuing to enter competitive sports as a federation of schools. On the first day of term we sent two teams of 10 children to represent Ryedale and Scarborough at the school games outdoor festival of sport in York. Children tried archery, laser run, team games and orienteering. Yesterday we entered a small team into the Scarborough swimming gala, we were the only small school to enter and although we weren't placed very high we won two individual year 5 races. Our federation football team also played yesterday at the small schools final and gained 3rd place. There was a good display of teamwork and dedication.

Payments to school

All money paid to school is now via Parentpay, activation letters were sent out at the end of term. We need to ask for payment on the day or at the start of the week if your child would like a school dinner. A school meal is £2.10 per day or £10.50 for the week. All trip payments will be taken via ParentPay so even if your child is entitled to Free school meals it is important that you activate your account. Outstanding debts will be forwarded to North Yorkshire County Council for recovery. If you need a new activation letter, please contact the school office.
