## **Governors' News**

Thank you to everyone who responded to the Governors' survey. The Governing Body met on Tuesday evening and we were very interested in your views on the federation and our schools, in your concerns and particularly in your specific comments about how things could be improved in a variety of areas. We shall be meeting early in September to finalise our Vision Statement for 2018-19, which will then be published.

As we near the end of term and the start of the summer holidays it has been a great time to visit both our schools. I have been to see our children having wonderful Science and Forest School sessions – thank you teachers. I've visited the Sports Days which were tremendous fun, with something for everyone – thank you to Mr. Ellis for organising them. Last, but not least we had two great Summer Fairs, thanks to the hard work of FOLS and FOSS. A good time was had by all and I won a prize at both! I hope you all have a super summer break, parents, children and staff!
