Our admin staff are very much looking forward to the new term in September, we already have lots of events in the calendar, such as swimming lessons, a federation trip to the panto and lots of sporting events. Please help us by checking book bags for letters, reading the newsletters and keeping us up to date if your contact details change.

Jo would also just like to say thank you so much to all teachers, parents and children for helping her to feel so welcome in her first term as admin and is very much looking forward to seeing you all in September.

## ParentPay / Registration forms

Please can all parents check ParentPay this week as we need to ensure all balances are at zero for the summer break. Thank you to all parents who have completed the registration forms, anyone that still has to fill these in please do so over the summer break and ensure we have them on the 4<sup>th</sup> September
