Mr White will be working full time at the school, until the end of the summer term, in order to provide support for Class 2 but also continue his very successful intervention work with his existing children.

Tesco Bags of Help

Tesco in Driffield have agreed that Luttons School can be part of the bags of help grant scheme for the month of July. Each time you shop in Tesco and use their carrier bags you should receive some coins to put into the special boxes near the door – if you do not get them please ask. Also if you use the self-service checkouts you do not get them so you must ask a member of staff. There are 3 different receiving communities and the 1 with the most coins at the end of the month receives a £4000 grant, 2nd place receives £2000 and 3rd place receives £1000. Can we all please make sure we can boost our chance of winning by shopping in Tesco and dropping the coins in the correct box! The grant will be put towards a revamp for the little ones play area which will make a huge difference to the school. Big thanks to Maggie Pickard for getting the school involved in such a great cause!
